Bold and Italic => Bold and Italic

3. Blockquote (Block of Code)

=> For Blockquote, we can use >

blockquote paragraphs must have right-arrow bracket (>) at the start of every single line.

Use a blank line for multiple paragraphs.

4. line Break

=> For line break, we can use Enter or \

This the first line of the paragraph This is the second line of the paragraph

This the first line of the paragraph

This is the second line of the paragraph

This the first line of the paragraph

This is the second line of the paragraph

5. Bullet Points/Lists

1. Unordered List

=> For unordered lists, we can use - or + or * symbols

- Sunday
- Monday
- Tuesday
- Wednesday
- Thursday
 - subList-1
 - subList-2
- Friday
- Saturday

- Sunday
- Monday
- Tuesday

- Wednesday
- Thursday
 - subList-1

- subList-2
